

BSB80120 Graduate Diploma of Management (Learning)

CRICOS Course Code I06383K

Qualification Overview

This qualification reflects the roles of individuals who apply highly specialised knowledge and skills in the field of organisational learning and capability development. Individuals in these roles generate and evaluate complex ideas. They also initiate, design and execute major learning and development functions within an organisation. Typically, they would have full responsibility and accountability for the personal output and work of others. This qualification may apply to leaders and managers in an organisation where learning is used to build organisational capability.

Who can Enrol?

Target students will be mostly International/Overseas mature aged applicants who wish to further develop or formalise their skills by gaining a Graduate Diploma Qualification. Applicants may possess an overseas bachelor's degree or higher. They might have experience working in a management role, seeking to further develop, and apply highly specialised knowledge and skills in the field of organisational learning and capability development. This course would also suit applicants wishing to gain entry to Australian University in a master's program in management or leadership discipline.
